Ben Thomas made a mistake.

A one-night stand with Natasha Peters has got her pregnant. Now he has two options: give up on his dream as a comedian and get a day job or abandon his responsibility and be a total dick.

Only when Tash tells the full truth does a third possibility emerge...

This story recounts the all too relatable experience of a fleeting sexual encounter and the hilarious mess it can create. It details all the things you think you know about safe sex and is inspired by the true story of a comedian in crisis.
