

THE LARRIKIN AMBASSADOR PROGRAM

For the love of reading

Larrikin House is proud to announce the launch of our very own **Larrikin Ambassador Program**.

WHAT IS IT?

Larrikin Ambassadors is a peer-to-peer leadership program designed to champion the love of reading.

Perfect for primary students from grades 3-6, this program is designed to be flexibly paced with a super fun check list of activities that can be completed with minimal direction.

Students will develop leadership skills, gain a sense of achievement by completing tasks, and benefit from the added confidence achieved by challenging themselves.

Some tasks will require courage, others a wild imagination! You can even add your own 'wild card' challenges.

Examples:

- *Re-create a Larrikin story into a rap, song or play and perform it.*
- *Re-design a Larrikin character with your own illustration.*
- *Re-imagine the ending of a Larrikin story and write it.*
- *Read a Larrikin story to a class.*
- *Translate a Larrikin story into a foreign language and read it aloud.*
- *Run a short story competition.*
- *Write or film a book review.*
- *Create an animation / claymation of a Larrikin story.*
- *Turn a Larrikin story into a game.*

WHO IS IT FOR?

We consider this program most suitable for primary school aged students in grades 4-5 but open to grades 3-6. There's no limit to the number of ambassadors you can appoint, your Ambassador Kit will have sufficient stationery for 4 students. Additional stationery is available to purchase as required.

ABOUT LARRIKIN HOUSE

As the owner of Larrikin House, formerly Learning Discovery, one of Australia's largest booksellers to the education market, I've been curating children's books for close to 30 years.

I'm really excited to share what I've learnt from my experience working directly with young readers. This gives our imprint a clear direction and focus to ensure we're creating books that 'Little Larrikins' will love.

So far we've been described as 'left of centre', 'cheeky', 'naughty' & 'quirky'. – Exactly what I had hoped for!

In 2020 we published our first fourteen picture books, with another twenty in production for 2021. (Covid wasn't going to stop us).

With two new titles released every month, we hope you love our books as much as we do.

Cheers,

James Layton
